

NOTE:

O = Yes = The application is available, and OE handbrake function will be retained.

X = No = The application isn't available.

● = We have the application, but our line-lock system is required to retain handbrake function (EXTRA COST NEEDED).

△ = We have the application but the handbrake function will not be retained.

P = Rear kits require EMF electronic control unit, we don't recommend you to make changes

Blank = There is no data available for production
